4 questions to consider going forward on becoming more transparent and help healing.

1. Do you ever feel like you put on a mask/façade around your friends/family/co-workers?

2. How have you seen a lack of transparency hurt or cheapen a relationship?

3. Do you have at least one safe person (friend, mentor, life group leader) with whom you can confess **your** sins and find healing? If so, take time this week to thank that person. If not, how will you find one?

4. Have you ever been hurt by someone who abused the confidence you placed in them? Have you ever hurt someone in this way? If so, what might you need to do to make things right again?

“Therefore confess your sins to one another and pray for one another, so that you may be healed”... James 5:16 (HCSB)
